Using PISA for School and District Improvement: The OECD Test for Schools
WHAT IS THE GLOBAL LEARNING NETWORK?

The Global Learning Network (GLN) is a learning community for OECD Test for Schools participants who have demonstrated a commitment to leveraging their results to make practice shifts that contribute to improved outcomes for students.
**THE GLOBAL LEARNING NETWORK’S GOALS**

- **Create an Authentic Community**
  - Convene school and district leaders from across the country who are dedicated to comparing their performance to and learning from world-class systems.

- **Facilitate Understanding and Exposure**
  - Host webinars and meetings designed to help attendees understand their results, communicate about their results, and identify practices that they may implement to enable more students to achieve at globally competitive levels.

- **Elevate Successful Voices**
  - Share the work our members are doing using a variety of mass media to showcase success stories and inspire schools and districts to take action to improve their global competitiveness.
