This dashboard analyzes Tennessee’s plan under the Every Student Succeeds Act (ESSA), specifically its commitment to equity and excellence and its compliance with the law. This analysis is not all-encompassing but rather focuses on the indicators most essential for advancing equitable educational opportunities for all students. Tennessee submitted its plan on May 3, 2017, and the U.S. Department of Education approved it on August 31, 2017. Full text is available at https://www2.ed.gov/admins/lead/account/stateplan17/tnconsolidatestateplan817.pdf. View ESSA equity dashboards for other states at www.all4ed.org/essa.

**LONG-TERM GOALS**

**Academic Achievement**
- 69.6% of high school students proficient in reading and 65.4% proficient in math by 2025

**Academic Achievement by Student Subgroup**
- By 2025, Tennessee will reduce by 50% the number of students in each subgroup not proficient

**4-Year Cohort High School Graduation Rate**
- 95% of students graduating by 2030

**English Language Proficiency**
- Accounts for students’ initial age/grade or proficiency level in setting student goals with a maximum of 6 years to attain proficiency

**ACCOUNTABILITY**

**Disaggregation of Student Subgroups**
- Uses a super-subgroup of “Black, Hispanic, and Native American” (“BHN”) students in addition to required disaggregated subgroups to identify schools for support

**N-Size**
- 30 students

**School Quality and Student Success (SQSS) Indicator**
- Science achievement and chronic absenteeism for all schools; “ready graduate” (college- and career-readiness measures multiplied by high school graduation rate) for high schools

**High School Graduation Rate**
- Uses 4-year cohort graduation rate exclusively

**Weighting of Academic Indicators**
- 100% weight for all grades

**Testing Participation Rates**
- No credit for untested students; schools that do not meet 95% participation requirement for all students, or any subgroup, will receive the lowest rating on the achievement indicator for that subgroup

**Inclusion of Student Subgroup Performance**
- Subgroup performance is 40% of each district’s and school’s rating (numeric scores in 2018 instead of A–F grades)

**SUPPORT AND INTERVENTION**

**Definition of “Consistently Underperforming” Used to Identify Schools for Targeted Support**
- Definition identifies schools that earn a score of 1 or lower overall or that have a subgroup performing in the bottom 5% for that subgroup across all indicators

**High School Graduation Rate Used to Identify Schools for Comprehensive Support**
- 4-year cohort graduation rate

**NOTE**
- Rate of growth will have more than 75% of students proficient in reading and math by 2030

**NOTE**
- Tennessee uses only the BHN super-subgroup to calculate school ratings

**NOTE**
- In 2018, the Tennessee General Assembly passed a law prohibiting the release of A–F grades based on 2017–18 data due to state testing failures; schools received a numeric score (0–4) on each indicator and no summative rating
LONG-TERM GOALS

Academic Achievement
- **Green:** 75% or more of all students proficient on statewide assessments by 2030 or equivalently rigorous goal
- **Yellow:** 60–74.9% of all students proficient by 2030 or 75% or more proficient by 2031–39 or equivalently rigorous goal
- **Red:** Less rigorous goals and/or longer timeline than 2040

Academic Achievement by Student Subgroup
- **Green:** Same long-term goals for each subgroup or similarly ambitious commitment to closing achievement gaps
- **Yellow:** Less ambitious goals but requires higher rates of growth from lower-performing subgroups
- **Red:** Same or similar rates of academic growth for all subgroups

4-Year Cohort High School Graduation Rate
- **Green:** 90% or more of students graduating by 2030
- **Yellow:** 85–89.9% of students graduating by 2030 or 90% or more graduating by 2031–39
- **Red:** Less rigorous goals and/or longer timeline than 2040

Extended-Year Cohort High School Graduation Rate
- **Green:** At least 3 percentage points higher than 4-year cohort rate goal or 1 percentage point higher if 4-year cohort rate goal is at least 90%
- **Yellow:** 1–2 percentage points higher than 4-year cohort rate goal
- **Red:** Goals are the same or state does not set goals for each cohort rate

English Language Proficiency
- **Green:** Accounts for initial age/grade or proficiency level in setting student targets with maximum timeline of no more than 6 years to achieve proficiency
- **Yellow:** Accounts for initial age/grade or proficiency level with maximum timeline of 7 years to achieve proficiency
- **Red:** Does not account for initial age/grade or proficiency level and/or sets maximum timeline of 8 or more years to achieve proficiency

ACCOUNTABILITY

Disaggregation of Student Subgroups
- **Green:** State does not use super-subgroup or uses it only in addition to disaggregated subgroups for identifying schools for targeted support and improvement (TSI)
- **Red:** State uses super-subgroups instead of required subgroups for identifying schools for TSI

N-Size
- **Green:** N-size for accountability of 10 or fewer students
- **Yellow:** N-size for accountability of 11–25 students
- **Red:** N-size for accountability of 26 or more students

School Quality and Student Success (SQSS) Indicator
- **Green:** Research-based statewide SQSS measures that can be disaggregated by student subgroup
- **Yellow:** Inconclusive research to support SQSS measures or significant SQSS measures are in development but will be statewide and capable of disaggregation by student subgroup
- **Red:** SQSS measures lack research and/or are not statewide or capable of disaggregation by student subgroup

High School Graduation Rate Indicator
- **Green:** Exclusively uses, or gives more weight to, 4-year cohort graduation rate
- **Yellow:** Uses 4- and extended-year cohort graduation rates and weights 4-year rate equally or less than other rates
- **Red:** Does not use 4-year cohort graduation rate or uses another unlawful graduation rate calculation

Weighting of Academic Indicators
- **Green:** 75% or more weight on academic indicators including measures based on state tests, college and career readiness, and chronic absenteeism
- **Yellow:** 50–74% weight on academic indicators
- **Red:** Less than 50% weight on academic indicators

Testing Participation Rates
- **Green:** No credit for untested students or similarly rigorous consequences
- **Yellow:** Less rigorous consequences that have limited implications for accountability
- **Red:** Does not specify consequences for untested students

Inclusion of Student Subgroup Performance in School Ratings
- **Green:** Includes all ESSA subgroups in all school ratings or uses a decision rule to ensure ratings reflect ESSA student subgroups
- **Yellow:** Includes subgroups in all school ratings but does not include all ESSA subgroups or may obscure subgroup performance on school dashboards
- **Red:** Does not include all ESSA subgroups in all school ratings

SUPPORT AND INTERVENTION

Definition of “Consistently Underperforming” Used to Identify Schools for Targeted Support
- **Green:** Definition is meaningfully different from “additional targeted support” (ATS) and triggers identification based on low performance on a subset of indicators
- **Yellow:** Definition is meaningfully different from ATS and triggers identification based on low performance across all indicators
- **Red:** Definition is not meaningfully different from, or is narrower than, ATS or does not comply with ESSA

High School Graduation Rate Used to Identify Schools for Comprehensive Support
- **Green:** Uses 4-year cohort graduation rate exclusively
- **Yellow:** Uses 5-year cohort graduation rate
- **Red:** Uses 6-year (or longer) cohort graduation rate
